**Marine Tech Wire and Cable, Inc., is ranked 22nd among the area's
Top 50 Fastest Growing Companies**

York, PA (September 11, 2012) – Marine Tech Wire and Cable Inc., is proud to announce its rank of number “22” on the sixteenth annual list of the fifty top businesses making significant contributions to the growth, strength and success of the Central PA economy.

“This recognition is a result of years of strategic planning and a lot of hard work and dedication from all of our employees,” said Kosta Kontanis, one of the owners of Marine Tech.

An event was held Monday morning at the Hilton Harrisburg to recognize the winners and announce their ranks. In addition to the awards breakfast, the “Top 50 Fastest Growing Companies” will be profiled in a special supplement to the September 14, 2012, issue of the *Central Penn Business Journal*, with information on each company’s financial growth.

In order to be eligible for nomination, companies had to be public or private, for-profit entities headquartered in Adams, Cumberland, Dauphin, Lancaster, Lebanon, Perry or York county. They were required to show revenue of at least \$500,000 in each of the fiscal years ending 2009, 2010, and 2011; then demonstrate revenue growth for 2011 as compared to 2009.

SF&Company calculated the nominations and then ranked the companies according to revenue growth over the three-year period. Both dollar and percentage increases were taken into consideration, which led to the list of the 2012 Top 50 Fastest Growing Companies, consisting of both large and small companies.

Marine Tech Wire and Cable is a manufacturer of electrical wire and cable that specializes in the production of shipboard cable for use in both commercial and naval ships. Co-founded in 2000 by Mark Lindsay and Kosta Kontanis, Marine Tech began operations with 4 employees. Currently it has over 26 employees and is located in a 50,000 square foot manufacturing facility located at 931 S. Richland Avenue, York, PA.

The “Top 50 Fastest Growing Companies Awards” are a program of the Central Penn Business Journal and is presented by SF&Company. Other sponsors include: Comcast Business Class; Comcast Spotlight; Eckert Seamans; Highmark Blue Shield; Sauv  Consulting Group and The YGS Group. More information about the awards program and winners can be found on the *Central Penn Business Journal’s* website at www.CPBJnow.com/events.
